### POPULATION AND DWELLINGS - LOCAL GOVERNMENT AREAS

#### SOUTH AUSTRALIA

31ST DECEMBER 1961

This bulletin shows the area, number of private dwellings and population, in each Local Government Area and Statistical Division in South Australia at the Census of 30th June, 1961, together with estimates at 31st December, 1961.

Private dwellings consist mainly of private houses, shares of private houses, flats, apartments, etc., and include both occupied and unoccupied dwellings. Hostels, boarding houses, hotels, and hospitals and other institutions, have been excluded.

The December 1961 estimates of private dwellings have been derived from June 1961 Census results and from the latest available information on completion of new dwellings, demolition of houses, and conversion of houses into business premises, from 1st July 1961 to 31st December 1961. Small holiday houses built since the 1961 Census are excluded.

The estimate of State population at December 1961 is based on Census population plus natural increase and recorded net migration. Changes in the estimated populations of Local Government Areas are based mainly on changes in the recorded numbers of private dwellings and changes in occupancy of major hostels, camps, etc. Particulars of demolitions and conversions of dwellings and of interstate movement of population are incomplete, and estimates of both population and dwellings are subject to amendment as more definite information becomes available.

Estimated populations have been rounded to the nearest hundred persons for metropolitan municipalities and to the nearest fifty persons for all other Local Government Areas. In all Local Government Areas estimated numbers of private dwellings have been rounded to the nearest ten.

ESTIMATES FOR INDIVIDUAL LOCAL GOVERNMENT AREAS SHOULD BE REGARDED AS PROVIDING A GENERAL GUIDE ONLY.
